## Why Study in Ireland?

Ireland's worldwide reputation for high quality education is built on the solid foundation of commitment to excellence. Ireland is a beautiful island, combining contemporary modern cities with an unspoilt countryside, offering cityscapes steeped in history and landscapes lush with a rich natural habitat. Renowned for friendliness, our safe, English speaking country offers the warmest of welcomes to students from all over the world.

### A friendly, safe country

And it is not just us saying it! Ireland was voted by Lonely Planet as the world's friendliest country in 2008 and 2010 and was ranked 12th in the 2009 Global Peace Index. International students enrich campus communities countrywide and our hospitable nature coupled with an unrivalled sense of fun ensures living in Ireland is an unforgettable experience. The island's varied environment is ideal for many outdoor pursuits such as climbing, water sports and all kinds of ball and team sports. It's easy to explore Europe from an Irish base with low-cost, frequent flights making trips affordable.

### English-speaking country

Ireland is an English-speaking country with close cultural, economic and educational links with the English-speaking world, especially with the UK - our next door neighbor - and with the USA. With 36% of the population under the age of 25, Ireland is one of the most exciting places in the English-speaking world to be a student.

### Internationally recognized qualifications and extensive choice

Irish higher education institutions and qualifications are recognized worldwide for excellence, delivering world-class innovative learning in many disciplines. Students can choose from an extensive range of courses to meet their needs in highly respected business schools, centers of scientific and technology excellence as well as renowned language, humanities and arts faculties.

## Supportive learning environments

Dedicated international offices work closely with administrative, academic and specialist staff to fully support students throughout their time in Ireland. Through these specialist support structures, students receive direct access to information, facilities, services and staff.

## Innovative and creative culture

Ireland is a land rich in cultural heritage with a history of world-leading innovation. From the flamboyance of Oscar Wilde to mould-breaking James Joyce from the pioneering quantum physics of John Bell to Nobel Laureate Ernest Walton, Ireland's unique innovative and creative culture is an integral part of the Irish experience.

## Distinguished graduates

Ireland's graduates are innovators in their fields, leaders in their communities and ambassadors for excellence all around the world. Qualifications earned and connections made in Ireland deliver a passport to success.

## Leading global companies in Ireland

Companies who require a skilled, educated and highly capable workforce to drive their success choose to locate in Ireland. Recently, Ireland has welcomed Google, Facebook, Pfizer, Apple, Intel to name just a few - all of whom chose Ireland as their European base.

Take the first step to join the growing number of international students choosing Ireland to fulfill their potential. **Your future starts here....**
